

SOCIO-ECONOMIC SURVEY REPORT 2026

Overview & Geography

A district-wide view of all surveyed households mapped across blocks, Gram Panchayats and villages. Explore the geographic reach and scale of the Keonjhar household survey at a glance.

Women & Social Protection

Analyse SHG membership, Subhadra Yojana coverage, pension delivery and women's financial inclusion. Understand the gender gap in digital access, Aadhaar linkage and social welfare scheme reach across Keonjhar.

Demographics & Housing

Understand who lives in Keonjhar age, gender, caste, and disability profile of 2,38,471 individuals. Analyse housing conditions including house type, PMAY coverage, toilet access, and basic amenities.

Education & Livelihoods

Measure school enrollment, dropout reasons, scholarship gaps and literacy rates across the district. Explore income levels, MGNREGA coverage, agricultural support and livelihood patterns of households.

Health & Nutrition

Track health insurance coverage, child malnutrition (SAM/MAM), immunisation rates and disease screening across households. Identify the most vulnerable communities lacking access to healthcare and nutrition support.
